

Dear WWRFC Alumni, Current Vets and Friends –

Our team is excited to reconnect with all of you and to celebrate over 30 years of Wisconsin Women's Rugby in Madison. We've made it a team priority to build up our alumni club this year and to keep building a solid foundation for the success of our team's future with a new home.

Some of you have already received this information and Thank You to everyone who has sent in updated contact information. I'm sending this out again, since I've added a lot of new contacts. We're still looking for a lot of information though, especially missing players and coaches. And we need your help!

ALUMNI LIST

We've updated our team website and now have our alumni list up in our in our alumni section – www.wwrfc.com/alumni.htm. Please visit our website today and e-mail us at ww_rfc@yahoo.com with your updated contact information.

SAVE THE DATE!

We have two alumni events scheduled and we hope to see you there!

- **Madison Alumni and Team Social – December 1** – For our team and alumni living here in Madison to socialize, share old photos and reconnect. Please join us Saturday, December 1 at 5 p.m. at Wilson's Bar & Grill (2144 Atwood Ave., Madison), one block East of the Barrymore Theatre and kittycorner from Harmony Bar. Food and drinks on us!
- **WWRFC Reunion Weekend – May 2-4, 2008** – Come home to Madison for a weekend of rugby, socializing with old friends and making new ones! We'd like to see as many alumni as possible from our three decades of rugby. Plan for a Friday night Welcome social, a Saturday WWRFC match, an Alumni touch rugby match and a Saturday night semi-formal reunion. More details to be announced, but save the date now!

BE PART OF HISTORY!

For the first time in the history of our team, we have the chance to build a permanent home for rugby in Madison. In partnership with Madison's other rugby teams and soccer, the WWRFC is fundraising to purchase and build the Wisconsin United Land Complex – a 35 acre facility featuring 6-7 sports fields, a championship field with bleachers, lights and a two-story clubhouse.

The clubhouse will feature a social area, bar and trophy room upstairs with a deck overlooking the championship field, while downstairs will feature locker rooms that walk out directly to the field. This Complex will rival any other in the nation for women's rugby. Imagine cheering on the WWRFC from the deck of our own clubhouse while sharing a beverage with your fellow alumni!

For more information, please see the included Complex brochure from our Madison rugby teams (Look for Liz Lauer!). If you are interested in donating, every little bit helps! Just like in rugby, it takes 14 assists to score a try! Donations sent in before November 15 will help us receive a \$100,000 matching donation from a men's alumnus. As of today, the rugby teams have raised over \$60,000, so we're very close. Donations can be sent to: WUAC Sports Complex, 1213 N Sherman Ave, Suite 191, Madison, WI 53704.

We hope to hear from you soon! E-mail ww_rfc@yahoo.com or call Jessica at 608-712-1481.
